GELLIVARE,

one of the biggest counties of Sweden, will heartily welcome You for a visit. We have almost everything You could wish to see, mountains, lakes, bogs and rivers, lift 800 m up on the top of Dundret and down 500 m in the mines of Malmberget. And on the airfield of Kavaheden we have our summercamp for glider pilots and radio-amateurs, with fine upwinds for both.

Equipment: HEATHKIT SB-100, HA-14 1 kW PA, HW-12, the TWOER — — —
DRAKE R-4A — — — EICO 753 — — — and lots of homebrew.
Antennas: GP's, Inverted Vee, 2 el.14 Mc beam, Vee-beams.
